## New Business Downtown

Please welcome Kutchey's Flowers to our Downtown family of businesses. They are located at 215 E. Main Street and their phone number is 837-8840.

Proof again Downtown Midland is "THE PLACE" for new business to locate!

## DDA Director's Corner

I have made it through my first month on the job and want to thank everyone for their words of encouragement and support. Hopefully I will be able to measure to all of your expectations. During July I plan on visiting all of your businesses to introduce myself and better learn your wants and needs from your DDA.

If you see Denise Hufford any of the many volunteers, participants or sponsors be sure to thank them for the excellent special events that took place during June. Events like the Dragon Quest, Highland Festival and Summer Solstice Stroll could not take place without all their hard work.

THANK YOU ONE AND ALL!

## Main Street Marketplace

### Kicked-Up Sidewalk Sales!

Get ready – we're pumping up our sidewalk sales with lots of great marketing, balloons, music and great deals for our customers! Dates are **July 10-12**.

Thursday, July 10, 10 am–8 pm, McDonald Street from Main to Larkin will be closed to include our "off Main Street" retailers and the popcorn wagon.

Friday and Saturday, July 11-12, 10 am–6 pm – the great deals continue!

We need your participation to make this a great retail event. Shoppers are starting to think "shop downtown first for bargains" so we need you to keep reinforcing that belief, please plan on participating.

There will be a flyer listing all the participating Main Street Marketplace retailers – **please call or email Denise by July 8** if you would like to be listed on this flyer.
