**Subject:** Resignation from MMLC Board

Roger, I have considered all possibilities and have decided I must resign from the MMLC board. I have resigned from the GADML board due to schedule conflicts that do not allow me to fully attend GAD meetings. I do not feel that I can adequately continue to represent Grace A. Dow Memorial Library at MMLC without serving on the GADML board or, at the least, attending meetings to gain information and provide feedback from MMLC. As that is not possible, I must resign from MMLC, too.

I am sorry to inform you of this as I have enjoyed serving on the MMLC board.

Best Regards,
