Are you currently a resident of the City of Midland? Yes

In what year did you become a City resident? 2002

The Planning Commission meets regularly on the second and fourth Tuesday of each month at 7 p.m. at City Hall. The Planning Commission's meetings are cablecast on MGTV-5. Meetings are scheduled to be approximately two hours in duration. Other special meetings and training sessions may be conducted throughout the year as necessary.

Are you available to meet at these times? (Mark "X" for Yes or No) Yes No

Are you familiar with the City's Master Plan? (Mark "X" for Yes or No) Yes No

Why are you interested in serving on the Planning Commission?

Since moving to Midland in 2002, I very much enjoy living in Midland and all of the things that this town has to offer. I would like to see Midland maintain it's "small town" character, yet still grow and diversify its economy. As an example, this means encouraging land use that includes future commercial and industrial areas but maintaining good quality of life areas such as residential and public space (parks, recreational facilities, etc.).

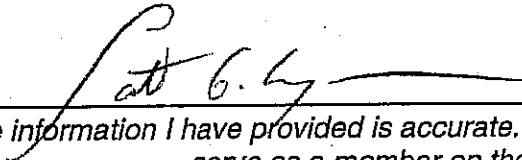

Why do you feel you are qualified to serve on the Planning Commission?

For this citizen-at-large position, I feel that being a concerned resident of Midland is the main qualification. However, I have lived in many locales and can offer input into how other communities have handled growth and changing land practices (e.g., from rural (to suburban). I feel that a multitude of opinions and views will be beneficial to guiding the future growth of Midland.

List any other information you feel would be pertinent in assisting the City Council in their selection (you're welcome to attach a resume or list any relevant personal or professional accomplishments).

I am currently employed as a research chemist with The Dow Chemical Co.; please see my attached resume for my professional accomplishments. I'm married with three children, two of whom are currently in elementary school. I grew up in a rural section of New Jersey, lived in rural southwest Virginia for 4 years, Pittsburgh, PA for 7 years and in Lake Jackson, TX for 2 years before moving to Midland in May 2002.

Appointed members are expected to attend all meetings of the commission. A position shall be considered vacant if a member shall miss four (4) consecutive, regular held meetings, or if a member misses more than 25% of the regular meetings scheduled in any fiscal year.

Why are you interested in serving on the Planning Commission?

Having been a member of the Planning Commission in the past, I recognize the importance of the Master Plan and its use as a tool to guide the planning process by informing Planning Commission members as they review the variable issues that arise before them. In addition to having served on the Commission in the past, I have since received a Master's Degree in City and Regional Planning from the University of Pennsylvania. Why are you interested in serving on the Parks and Recreation Commission?

As a new resident, I am interested in becoming involved in the community. I am very impressed with Midland's commitment to park development. It was an important reason for moving here. I would like to help maintain and enhance this aspect of our community's quality of life.

Why do you feel you are qualified to serve on the Parks and Recreation Commission?

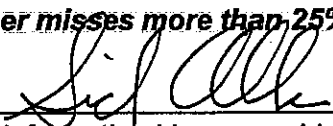

During the past 22 years, as an executive with various chambers of commerce, I have been involved with numerous municipalities. In Longview, Texas, as a volunteer, I served on the Community Integrity Task Force, a committee charged with developing initiatives to improve the aesthetics of the community. I was also instrumental in the development of KidsView, a state of the art children's playground.

List any other information you feel would be pertinent in assisting the City Council in their selection (you're welcome to attach a resume or list any relevant personal or professional accomplishments).

I have included a brief biographic sketch for review. Even though I've only lived in Midland a few months, I believe I can bring a fresh perspective to this important area of our community. In my role as a chamber of commerce executive, I ask many people to volunteer their time. I feel it is important that I do the same. It would be a privilege to serve on the Parks and Recreation Commission.
