Why are you interested in serving on the Library Board?

To contribute to my community towards an institution that I appreciate as a patron and prize as a valued asset to all.

Why do you feel you are qualified to serve on the Library Board? I have a sincere interest in the mission of libraries; I have experience with a wide range of ages from young teens through the stages of adulthood; I am a good listener and a cooperative team member.

List any other information you feel would be pertinent in assisting the City Council in their selection (you're welcome to attach a resume or list any relevant personal or professional accomplishments).

I worked in Government Documents at CMU Parke Library in grad school. My best friend is a librarian in Washington DC.
(see attached resume)

Appointed members are expected to attend all meetings of the board. A position shall be considered vacant if a member shall miss four (4) consecutive, regular held meetings, or if a member misses more than 25% of the regular meetings scheduled in any fiscal year.
