## LIBRARY BOARD

PAGE 2

Why are you interested in serving on the Library Board?

From my youth to the present, the local public library has been a constant presence in my life. It provided me with a needed (and much appreciated) recreational and educational outlet. As such, I understand how important a thriving public library system is to a community. Serving on the Library Board would allow me to direct my talents and enthusiasm (generally, and for the library system as a whole) into an entity that benefits us all.

Why do you feel you are qualified to serve on the Library Board?

I have served on public/governmental commissions in the past (most recently, I served as vice-chair for the City of Jackson's City Planning Commission). Further, I have a significant amount of real-world legal and business experience that could be applied to benefit to the Board. I feel that these above-mentioned things, along with a strong dose of commitment and genuine enthusiasm, make me qualified to serve on the Library Board.

List any other information you feel would be pertinent in assisting the City Council in their selection (you're welcome to attach a resume or list any relevant personal or professional accomplishments). For details about my education and experience, I have attached my resume.

***Appointed members are expected to attend all meetings of the board. A position shall be considered vacant if a member shall miss four (4) consecutive, regular held meetings, or if a member misses more than 25% of the regular meetings scheduled in any fiscal year.***
