DATE: August 4, 2008
TO: Jon Lynch, City Manager
FROM: Bradd Maki, Assistant City Engineer *BDM*
SUBJECT: MDOT Contract No. 2008-0419
Automated Weather Observation System (AWOS) Maintenance

On December 3, 2007, City Council approved a contract with the Michigan Department of Transportation (MDOT) for the installation of a new Automated Weather Observation System, AWOS, at the Jack Barstow Municipal Airport. MDOT Contract No. 2008-0419 is related to required maintenance of the facility following installation. The total estimated cost for maintenance is \$3,842. The City and State will each share 50% of the maintenance costs, or \$1,921. The City cost share for this project is included in the Barstow Airport Budget.

Annual maintenance costs involve required quarterly facility inspections, necessary preventive maintenance, unscheduled repairs for failures and outages, and general overhead expenses.

A related contract between the City and MDOT regarding the dissemination of data collected by the AWOS system will be considered separately by City Council at the August 11th meeting.

The contract under consideration was reviewed by the City Attorney and is approved as a draft document with final approval pending. If approved, this contract will be in effect from the date of the award through July 31, 2010 and may be renegotiated or extended after that time at the discretion of the Airport Manager.

It is recommended that this contract be approved by City Council and that the Mayor and City Clerk be authorized to sign the agreement on behalf of the City of Midland following final approval from the City Attorney.

BY COUNCILMAN

WHEREAS, on December 3, 2007, a contract between the City of Midland and the Michigan Department of Transportation, MDOT, was approved for the installation of an automated weather observation system, AWOS, at Jack Barstow Municipal Airport; and

WHEREAS, a proposed Contract No. 2008-0419 has been submitted to the City of Midland by the Michigan Department of Transportation, MDOT, for required maintenance of an automated weather observation system, AWOS, at Jack Barstow Municipal Airport; and

WHEREAS, the total estimated cost for maintenance is \$3,842, of which the City and State will each share 50% of the maintenance costs, or \$1,921; and

WHEREAS, the City cost share for this project is included in the City of Midland General Fund airport budget; and

WHEREAS, the contract will be in effect from the date of award through July 31, 2010 with the possibility of renegotiation or extension after that time at the discretion of the Airport Manager; now therefore

RESOLVED, that the City Council hereby approves the proposed Michigan Department of Transportation Contract No. 2008-0419 and authorizes the Mayor and City Clerk to execute the contract on behalf of the City of Midland, following final approval by the City Attorney.

YEAS:

NAYS:

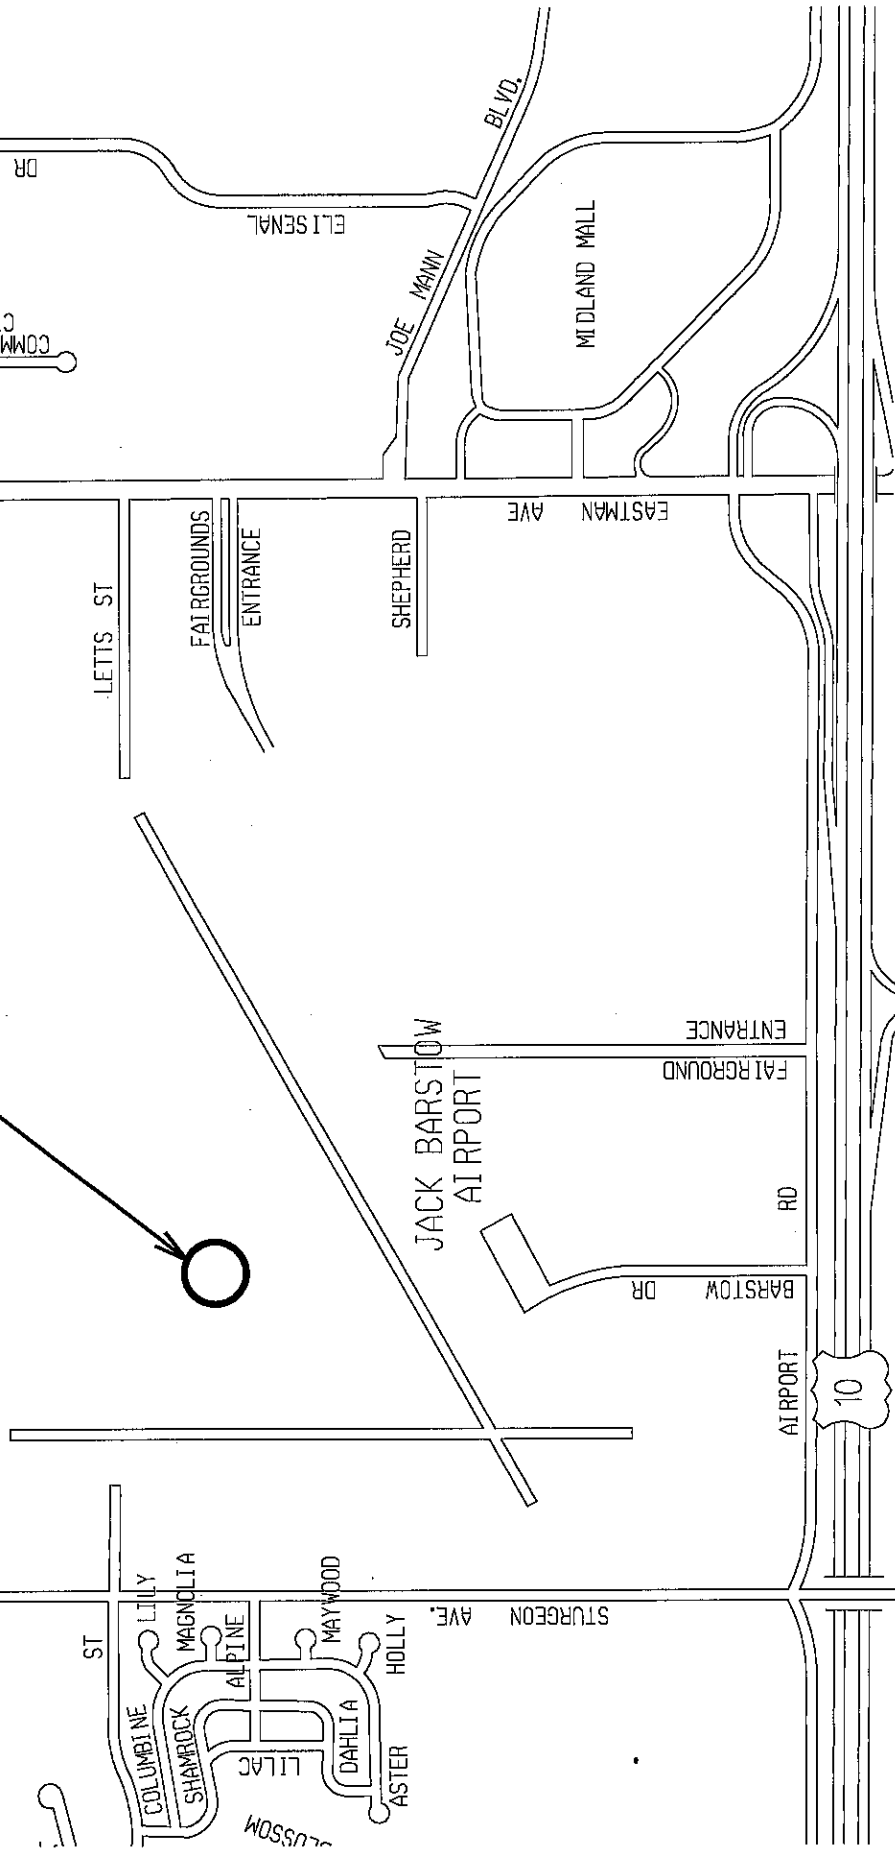

ABSENT:

I, Selina Tisdale, City Clerk, City of Midland, Counties of Bay and Midland, State of Michigan, do hereby certify that the foregoing is a true and correct copy of a resolution adopted by a yea vote of all the Councilmen present at a regular meeting of the City Council held Monday, August 11, 2008.

Selina Tisdale, City Clerk
