Potable water	28.8	28.8	28.8	28.8
Industrial grade water	19.2	19.2	19.2	19.2
Total	48.0	48.0	48.0	48.0

NA - Information not available

(a) In FY 01/02, an additional nine holes were added to the 27-hole course to create two 18-hole courses.

(b) A new 3-sheet arena on Fast Ice Drive opened in September 2005 replacing the old 2-sheet arena on East Collins.

(c) In FY 05/06 a new 2,100 sq ft terminal building opened replacing a 1,200 sq ft terminal built in 1950.

(d) Current airspace = remaining airspace in currently constructed cells

(e) Total future airspace = remaining airspace in currently constructed cells as well as cells to be constructed in the future

(f) Raw water is pumped from Lake Huron by the Saginaw-Midland Municipal Water Supply Corporation, a facility owned jointly by the two cities. The raw water is then pumped to the two communities for treatment at their individual treatment plants.

(g) FY 07/08 Cell 16 added, roughly 1.8 million yards of additional airspace
