Frequently Asked Questions

Plans are underway to offer downloadable eBooks compatible with the Kindle, Nook and other eReader devices. Work is in progress setting up access and selecting titles. Watch for the announcement of the "go live" date on the library's website. This service will only be available to residents of the library's legal service area.

For more information, please call the Reference Desk, 837-3449.

Great Michigan Read 2012

The Michigan Humanities Council's community reading program returns with Detroit native Kevin Boyle's *Arct of Justice: A Saga of Race, Civil Rights and Murder in the Jazz Age*.

To help get the conversation started locally, the library has invited notable members of our community to participate in a panel discussion.

Join the discussion live:
Tuesday, February 28th
7:00pm in the Library Auditorium

OneClickdigital Media Manager is a free software allowing patrons to listen and transfer audiobooks portable devices. Along with the Media Manager, patrons have the option to download the audiobook zipped files. Protected titles may not play if your computer or laptop does not have the latest DRM components installed. Please refer to the FAQs on how to verify if your computer or laptop has the DRM components installed.

Checked Out Holds Wishlist History

Checked Out Items

The following is a list of the items you currently have checked out and are listed in order of check out below the title.

It might take a minute or two for the title to show up on the screen.

Transfer to your portable device

Plug-in your device to your computer using the USB cable.

A screenshot of a web browser displaying the OneClickdigital website. The page title is 'Grace A. Dow Memorial Library'. The main content area is titled 'Checked Out Items' and lists a book 'Blind Descent' by Nevada Barr. The book's cover is shown on the left. To the right of the cover, the title 'Blind Descent' and author 'Barr, Nevada' are listed. Below the author name is a short synopsis. To the right of the synopsis is the 'Expiration Date' 'APR 20, 2012'. At the bottom of the book entry are four buttons: 'Play Title', 'Renew', '21 days left', and 'Download/Transfer'. A white box with a black border and an arrow pointing to the 'Download/Transfer' button contains the text: 'Click "Download/Transfer" to start transferring the Audiobook to your portable device'. The browser's address bar shows 'Browse Website' and a search box. The top navigation bar includes 'File', 'Preferences', 'Sleep', 'Help', and 'Online'.

You will then see a series of messages:

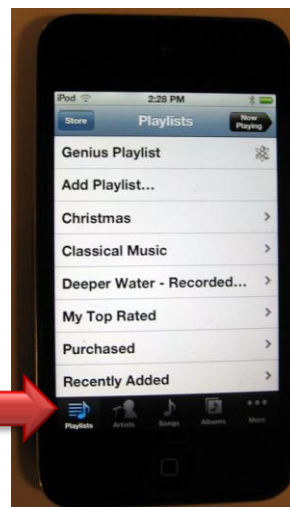

An alert message from OneClickdigital. It features the OneClickdigital logo on the left and the text 'Alert!' followed by 'Searching for devices, Please Wait' on the right.

An alert message from OneClickdigital. It features the OneClickdigital logo on the left and the text 'Alert!' followed by 'Connecting to device...' on the right.

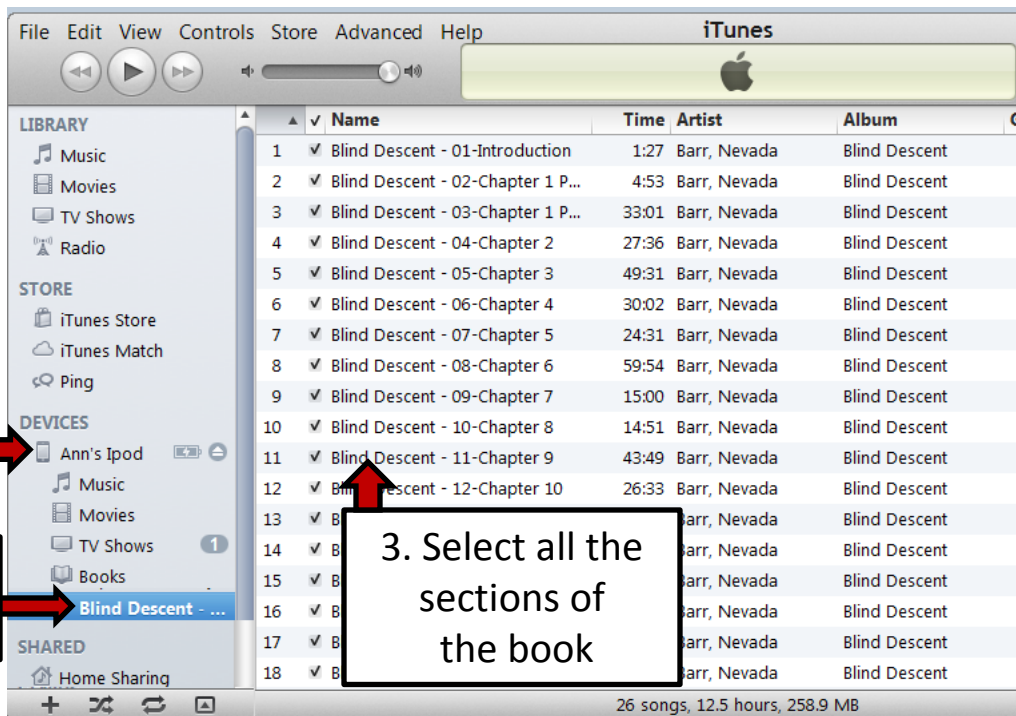

A message from OneClickdigital indicating the transfer progress. It features the OneClickdigital logo on the left and the text 'Transferring to device' followed by 'Progress: Transferring File: Blind Descent' and a progress bar on the right.

An alert message from OneClickdigital. It features the OneClickdigital logo on the left and the text 'Alert!' followed by 'Transfer of "Blind Descent" completed. Please check your Apple device playlist to listen to the book.' on the right.

In the iPod and iPhone, the title will show up in the music section of your device.

For iTunes – Steps to remember your place in the book

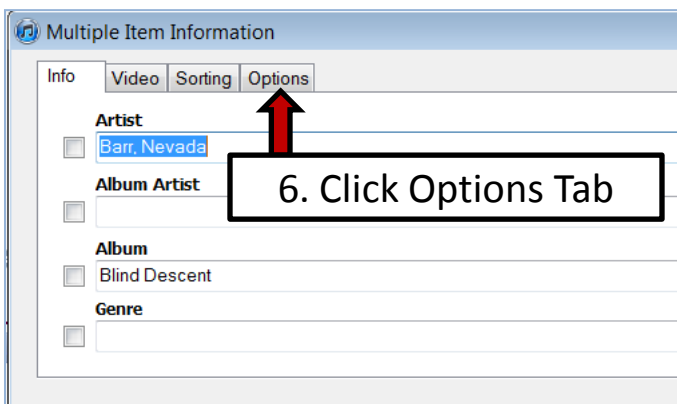

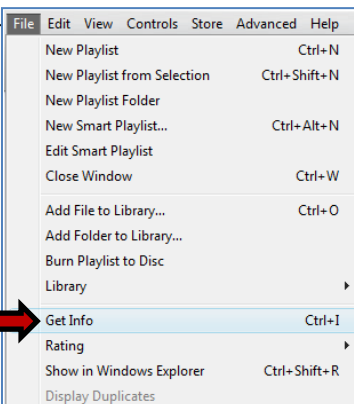

1. Click triangle next to the device to view its contents

2. Click the name of the audiobook

3. Select all the sections of the book

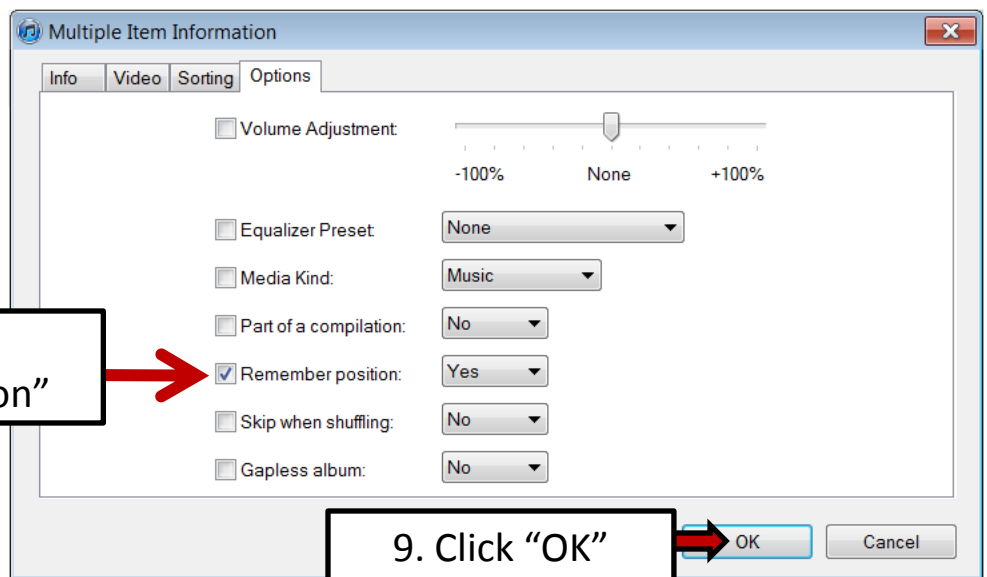

4. Click "File" from top menu

6. Click Options Tab

5. Click "Get Info"

8. Choose Yes to "Remember Position"

9. Click "OK"
