

Welcome

to the City of Midland Citizen Services Guide...

The information in this guide will inform and assist you with the various services provided by your City government. If you have questions or need more information, please contact the appropriate City department or the City Manager's Office at 989-837-3301. We're always happy to help.

About Your City Government...

Every two years, Midland citizens elect five City Council members to represent the community on matters of local government policy. At the first Council meeting after an election, City Council elects one Council member to serve as the city's mayor.

Council employs a city manager as a professional administrator to oversee the operations, services, and personnel of the City as directed by long-term priorities and goals set by the Council.

The Council generally meets twice each month to discuss and vote on issues affecting our community and city government.

Become involved with City government by contacting your Council representative or attending Council meetings. Meeting dates are listed in this calendar. Meetings are televised live and also replayed on MGTV Charter Cable Channel 96. They can also be viewed via on-demand streaming video through the City's website (www.midland-mi.org).

Meeting agendas are available the Thursday evening prior to a regularly scheduled meeting. Review the agenda and accompanying information packets on the City's website (www.midland-mi.org), on MGTV-96, or at the Government Information Center at the Grace A. Dow Memorial Library.
